Theme: One Giant Leap

Dear Parade Entrant and/or Sponsor,

June 18, 2019

This year Solanco Fair Association's parade committee is pleased to announce this year's parade theme. Exactly 50 years ago on July 20, the world heard these famous words as Neil Armstrong lowered onto the surface of the Moon: "That's one small step for man, one giant leap for mankind." Join in on honoring this unprecedented moment, not only experienced by Neil Armstrong and Buzz Aldrin, but the entire world. This parade theme gives you the opportunity to present why this one event put into motion in our country a renewed inspiration to reach for the STARS. Do your homework and show our parade viewers how this event changed our future. ps Try these Google Searches for Ideas – what technology came from the Apollo program, new inventions from the space program, or how space travel changed our lives.

The committee hopes your entry will inspire us all to continue to innovate.

New this year : Grand Prize Float Award \$250.00

Be sure to fill out the enclosed application (see **Parade Application**), and return it with your application fee before the August 20 deadline.

**Notice: the parade usually reaches maximum length before the August 20 deadline.
